## XpressQual Enhancements

At Nationstar Mortgage Wholesale Lending, we continually strive to be more user-friendly to our Broker partners. We are pleased to announce that effective Tuesday, January 26, 2010 our XpressQual system has been improved and simplified to save you time and energy:

- ★ **Screen Consolidation**—There are now fewer screens for each loan, which simplifies the process flow and makes it easier to navigate the system.
- ★ **Upgraded XpressLook**—XpressLook, the loan scenario and pricing tool in XpressQual, has been enhanced. Current loan information has been added and the overall tool enables Brokers to more easily shop loan options.
- ★ **Enhanced Navigation Bar**—The left Navigation Bar has been enhanced to make the entire system more user-friendly. It now shows multiple borrowers at one time.

Please contact your Account Executive for details on XpressQual Training opportunities.

As always, we thank you for your continued business and strive to be your wholesale lender of choice.

If you have questions, contact your Account Executive or visit us online.
